You're like this everyday so smear rascal!
It's because I want to watch Asuka play soccer!
You don't have to come to school this early right? It's only 6 o'clock!
I'm going to soccer practise!
Ah!
Wait, Asuka... S- Stop!

walks fast
Hears the same things everyday

Annoying! Always spouting useless crap like this everyday...
Feng-shui is a power that can predict your luck...

Again with all this boring Feng-shui...
Asuka, today's bad luck is in the South direction!
SNOOSE
It's true!
So annoying!
It's not boring.

I... I tried to warn him!
WA HA HA HA
It's killing me!
HE HE HE HE
I said there's going to be bad luck in the South!
IF he listened to me, it wouldn't have happened...
sigh...
Forget it! Asuka is still very childish!
No matter what..
But...

Why does Asuka hate Feng-shui so much?
I only wanted him to be more fortunate...
That's why I helped him look at his Feng-shui everyday...
ASUKA — SCORE
Oh!
Why don't you forget about that bastard Asuka, and consider me?
U.. Uwa, you are making these kinds of jokes again!
I'll take care of you.
Meirin, you are too cute ♡
hugs tightly

SHOOT
Ha Ha Ha Ha
I'm so moved!
You stole my ball!
Asuka... Do you know?

When you are playing soccer, it's like...
you give off this aura of sparkly and beautiful lights!

Hey Hey
Did you visit Dr. Rin's website today?
Of course, my lucky colour today is blue
I wore a blue hair clip, and then Yamada and I ended up boarding the same bus! ♡
Dr Rin is really precise!
Eh, Really? How sooo

Dr. Rin's feng-shui is really popular
At least half the class is preoccupied with him
Merrin's dad must be troubled,
having this incredible feng-shui expert appear as a rival
Will it be okay?
HA HA HA
DR RIN IS A MYSTERIOUS FENGSHUI MASTER
RUMOURS SAY THAT HE IS VERY ACCURATE.
NO ONE KNOWS HIS REAL IDENTITY
NOW LOTS OF GIRLS VISIT HIS WEBSITE EVERYDAY

My dad who also works as a feng-shui master also worries about it

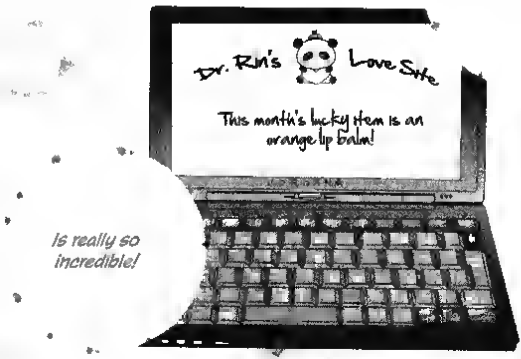
About the appearance of an unexpected feng-shui master

Yesterday when I went to Johnny Jr.'s live,
I got to play a secret game with my beloved Takizawa Hideki!
MEIRIN! YUE! LISTEN TO THIS...
Oh
Liar
That show is super hard to get in!
And to be with Hideki Undoh survived!
Eh... Seriously Shuko?
I'm sooo happy
It's like a dream!
Ah, ah!
So great! This is all thanks to Dr. Rin!
It's because I followed Dr. Rin's advice, to put Hideki's photo in a pink bus pass holder!

That..

That means,

Dr. Rin...



Is really so incredible!

WAHAHAHA!
ASIAN CAFE
You don't have to worry, ma'am.
No program*
It's not "No program" but "No problem"
(Oh man's joke)
*originally in English

HA HA HA HA!
But ma'am you are really beautiful, so it'll be pointless if you do those things!
Kwa Master really
To look young, all you need to do is make your bedroom furniture face west,
and put a pink vase beside your pillow, understand?
Yes ♡
tipsy
Master look at me too!
Master me too!
When are you going to bring back some cute lambs?
Why is it only you today?
whispers
oh!
Welcome home!
I... I'm home
Ohh, Mairin, you're back?
but to be surrounded by cute high school girls!
My dream is not for my store to be filled with old women only,
Master! Master!
No! Mine!
Master is mine!

Am I wrong? You don't know how popular Dr. Rin is at school!
W- What is weird?
How can I force my friend's on dad's entirely inaccurate feng-shui—
No way!
and these weird Fengshui ornaments on my friends?!
IMPROVE YOUR LUCK! FENG-SHUI SPECIALS
Don't fight in the store!
Wu——
HE IS ONLY AN AVERAGE, MYSTERIOUS OLD MAN!
W-WHAT DR. RIN?
ka-cha
Good luck!
Master
So cool!

One day, I will reveal his true identity.

K'club Talk

Hey... Tenshin I'm back, were you well-behaved today?

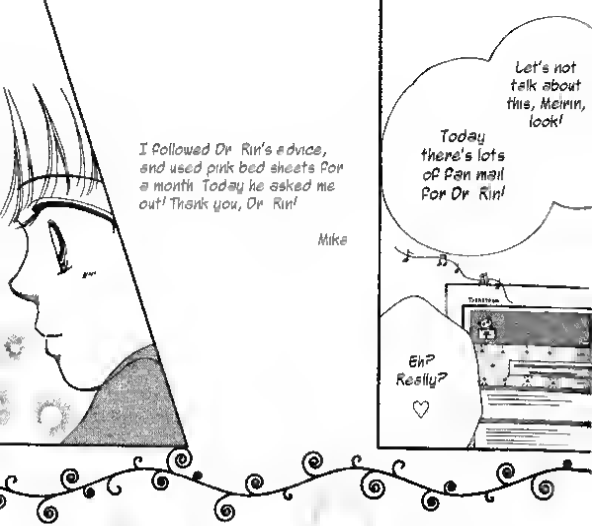
You're back? Dr. Rin...
O-Onii-chan!
HI

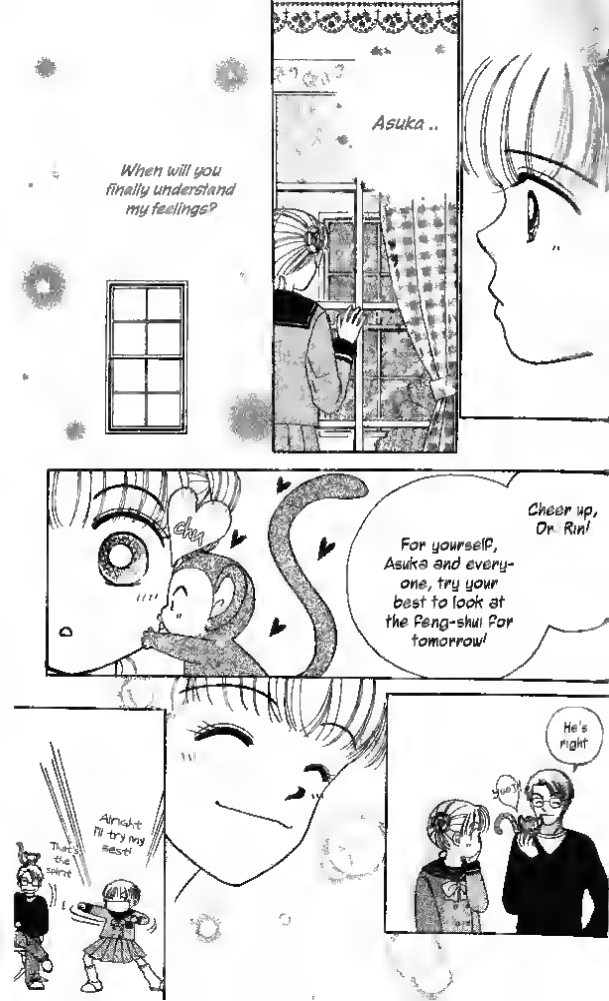
To test my feng-shui powers,
onii-chan and I made a website half a year ago for fun...
!!!
really?
That's right! I am Dr Rin!
What if they hear
Don't call me Dr Rin at home!
SHH
dash
But I think he's pitiful,
lately it looks like his business has-
Me even thinks that Dr Rin is an old man!
Dad would never think that his rival is his own daughter
SOH
Why would anyone think that naming their son after a dumpling is appropriate?
You must make him taste a bit of defeat!
He's not pitiful! He always does whatever he wants!
Pitiful?
TA-KA
TA-KA
TA-KA
He's his father, that I've been called dummies for the past 17 years of my life!
Curse him to the deepest-
Onii-chan's name



I followed Dr. Rin's advice, and used pink bed sheets for a month. Today he asked me out! Thank you, Dr. Rin!
Mike
Let's not talk about this, Meimi, look!
Today there's lots of fan mail for Dr. Rin!
Eh? Really? ♡

Dr. Rin, you are incredible— After I made my dresser Face West—a hot new guy applied at my work place!
After I started wearing a sapphire ring, I could happily talk with the one I like! I might even become his girlfriend soon!!
After I slept in orange PJs, I made up with a good friend!

You live right beside him, and you have many advantages, so why isn't your relationship going anywhere...
That's great! Looks like things are going well for everyone ♡
GRRRR...
Asuka's house
Meimi's house
Ouch!
But it isn't going so great for you, is it?
Hm. Dr Rin?
WITS
WITS
WITS
Ouch!
Hey, I was only worried about you!
You know I'm sensitive to that subject! You're so mean!
My luck in money and school are pretty good...
Even I think it's a bit ridiculous.
It's just that in my 11 years of life, luck was not on my side in love.



Asuka ..
When will you finally understand my feelings?
Cheer up, Dr. Rin!
For yourself, Asuka and everyone, try your best to look at the Feng-shui for tomorrow!
chu
He's right
Yue
That's the spirit
Alright I'll try my best!

For the sake of everyone's happiness...
If it's like this, then we'll have to change it.
When I was 3, this power started to develop.
The nature has an impact on whether the luck is good or bad, according to feng-shui.

Sorry..
Are you alright?

Something like this happened before, too.
Do you remember?
Your ball hit me at that time too,
and in the end you carried the crying me all the way back home.
I just knew then,
that you were my destined one.
Ever since that day, towards Asuka, I've always...
Is that so?
Eh?

I think my fate should be created by myself
Ah! Asuka is surrounded by an angry aura
I don't believe in destiny.
I'll never believe what you say
Asuka!
be it feng-shui or destiny or whatever, I'll never believe any of it!

I've never mentioned anything about me being Dr Rin!
DEFEAT DR RIN
Victims
So much better than Mum's dad
Dr Rin is incredible!
Dr Rin is so superb

Just who could it be...
In two weeks, we will be going on a class trip...
So today we are going to discuss it

And what does that mean?
"From your destined one."
My destined one?
Is it a man?
Honestly! Who the hell sent that e-mail!?
It's definitely not someone from my class!
I have confidence in keeping my identity!
Because my destined one is Asuka!
SHUDDER
Hey, hey Meirin, let's go in a group, the three of us.
What?
Group?
Asuka, Meirin keeps on staring lovingly at you.
So lucky
DISTRESSED
SIGH

Speaking of class trips, it's a major event!
Class trip, huh...
dazed
C-Class trip?!
For the class trip! We have to go in boy-girl goups..
Sheesh! Weren't you listening?
STANDS
Let's go for a walk at n ght

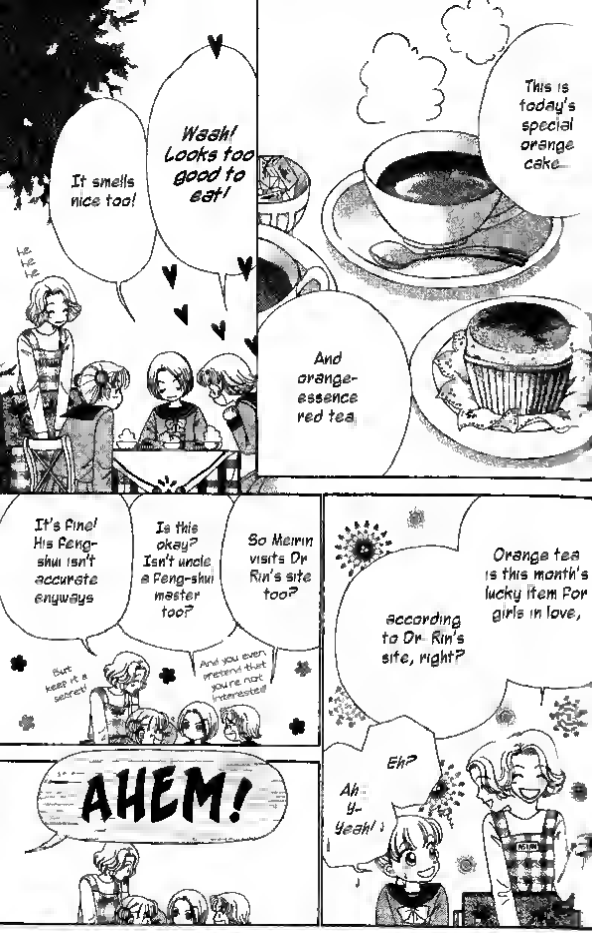
Shut up!
Wow— Asuka is so popular
But only with Mem!
We are aiming for none!
Sensei, please don't take away my dreams!
Eh— Kanzaki.. you..

ASIAN CAFE
What a shock!
I never thought that Asuka would easily agree to be in the same group
Eh?
What?
Yua: Shuko, aren't you guys being a bit over the top?
HMPH
Yeah, yeah!
Normally, it seems like he's always annoyed at Mairin..

Destined to be together
speed-jess
Asuka finally understood my feelings!
finally!
Be- Because, we are...
If he rejected me, I would beg while crying and do whatever it takes..
To be honest, even I was surprised!
Eh?!
Do whatever you want!
Then that means you agree, right? Really, really?
Sorry to keep you waiting!
This might be because...
of the orange juice I drank this morning
ASIAN



It smells nice too!
Waah! Looks too good to eat!
He he he
This is today's special orange cake
And orange-essence red tea
It's fine! His Feng-shui isn't accurate anyways
Is this okay? Isn't uncle a Feng-shui master too?
So Meirin visits Dr Rin's site too?
But, keep it a secret
And you even mention that you're not interested!
AHEM!
Orange tea is this month's lucky item for girls in love,
according to Dr. Rin's site, right?
Eh?
Ah y- Yeah!

CRAP!
Ah!
What a beautiful girl!
Did I hear someone mention Dr Ruri?
What are you chatting about?
Are you two Meirin's classmates?
Yes.
Aiyah... Since both of you are so cute, uncle will give you this!
Not at all welcome.
Ahahaha.. Hello uncle! Sorry for intruding.
Pretty flower

The result is definitely better than Dr. Rin's!
If you put this in your room facing south, you will have good luck
This pink rabbit
You can also lend it to your other friends!
It's not quite at all
Eh, really?
EH!?
You also have to put this facing South-West!
SHOVES
Be quiet!
GRR
Dad, don't give my friends this kind of strange gift!
It's swear-cassinal
To you, the direction South-West means evil!

Meiyin's room
No matter what, dad's feng-shui is not entirely inaccurate...
Even though he talks a lot of nonsense, and sells weird things ...
Of course!
Wait!
Hm?
CLANK

My bad luck is in the South-West direction!

Asuka..

Stop doing things that'll get you in trouble!
WHAT! She brought a monkey?!
Sorry
You've always been like this, always helping me.
That's why, I like you the best!

For our future we have to pray at Seimei shrine
For love we have to pray at Jishu shrine,
I should pray for me + Johnny Jr's color sensitivity
Shuuko's always so frank like this.

I hope tomorrow will come soon

someone is emitting a heavy atmosphere over there

Dad and onii-chan already gave me a scolding over the phone..
After we finally made up another fight started
Fool! Anyone would've noticed if something smuck into his or her bed!
You are such an idiot!
Tomorrow we are going to visit the Seimei shrine. Okay?
Let's go to bed early tonight!
Enough, Meirin! We were only joking with you!
Let's go to bed. Tension
Because you're fun to tease.
You guys have to accompany me 'til morning!
Argh! Tonight I'm going to drink until I drop!
Ehhh

Meirin, I think,
I have a better view of Asuka now.
Saimai shrine?
Really! We have to go there too!
Didn't he get in trouble with you too for searching for Tenshin?
Eh..
Mhm-
He's usually so cold,
but he has his good points!

I- Is that so?

I'd like to think that way too ...

Pray for it tomorrow at the shrine!

You have to steal his heart on this trip, Meirin!

You may even have a chance with him now!

Hehe

I have someone I like. But she is very popular. I don't know how to confess

But..

But Asuka he..

Oh yeah it seems like Kenishi is pretty popular

DISMISSING THOUGHTS

Don't think that way!

It is not certain that the mail was from Asuka!
Okay
I'm going to have a bath!
Anyways, as Dr Rin...
I must use my feng-shui to help others with their love problems!
Whenever there is a ☆ mark...

What does that mean?
Ah

I- It's a bit scary, if something shocking happened...
Eh? Why? It's a rare chance that we came here...
Oh, Seimei God . .
Please let me find Tenshin soon!
CLAP CLAP
Yesterday I didn't hear any clues about Tenshin's whereabouts ...
Actually I wanted to see if Asuka is going to buy the charm or not
Meirin is such a wuss!
Then let's go!

Can we find Tenshin
What if he is lost forever, what should I do..
Still haven't found Tenshin?

EH!?
Hmph! I don't want a ordinary charm!
Come to think of it, ever since we were little, Asuka was the type to rely only on his abilities.♥
He doesn't believe in feng-shui either...

Do you not believe in them?
Oooh, a charm Asuka?

I'm scared of ghosts, spirits and such...

This photo...
Is really beyond belief...
Right?
It is a bit freaky
This isn't a photography effect,
and it's taken at the Seimei shrine...
Eh? Seimei shrine?!
Punch
EH?!

TL Notes. Shikigami are paper dolls which are possessed by spirits. While Shinigami are death death gods/ Grim Reapers.
Have you heard of...
Shikigami?
S-Shinigami?!
Not that! Shikigami!
W- Why aren't you saying anything? T-Tokiwa-kun?
H- Hey Geez...

A thousand years ago,
it is said that onmyoji Abe can control shikigami whenever he likes

TL Notes

I heard that if someone possesses
the ability to control spirits, they would also have the ability to curse people and even kill them if they really wanted to...
Murder?!

Ah...
W-Wait
Are you saying the Asuka that appeared is a shikigami?
That's just absurd And who was controlling the shikigami?
Aha...
And why would they make the shikigami look like Asuka?
That...
I'm not certain about...
Because I'm not Abe Seimei!

I'm just kidding! Did I scare you?
!?
Scare me?
Heke
Waah ... That's too much!
I was really scared!

O-Don't be so unreasonable-
How tactless! You're too much!
Don't get too close to that guy
Eh- Why?
Toki-wa-kun is nice-
He even called me cute
Flinch

But I really don't like it!
That's right! I'm just unreasonable!
Please, don't talk to that guy again!
H- How hypocritical of you So it doesn't matter if you goggle at Yue?
Huh?
You bought a charm at Seimei shrine,
I have proof!
Explain that away!
Ah- That?
That's not me in the photo,
because I never bought any charm!

T- Then you weren't confessing your troubles to Dr Rin?
Eh? Dr Rin?
How is that possible! Pighead!
L- Liar!
Weren't you writing an e-mail on the net?
No, that was Shinagawa's laptop
I was just playing around on it when he went to the toilet
Eh?
IF I'd known sooner, the class trip would've been more fun...

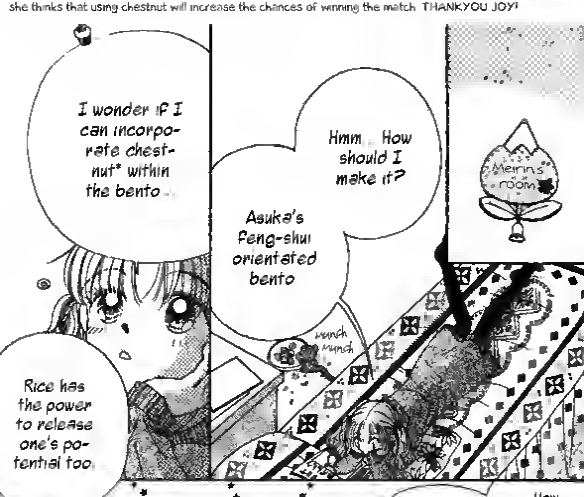
CHOP

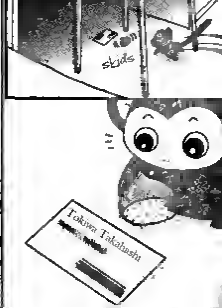
Hm?
Then,
but...
who could that Asuka in the photo be?
"Abe Seimei can control shikigami whenever he wants."
C-
Can't be, right...

PR Notes: From what my friend stated: In chinese, Chestnut is called "li zi" and victory is "sheng li" so she thinks that using chestnut will increase the chances of winning the match. THANKYOU JOY!



I wonder if I can incorporate chestnut* within the bento...
Hmm... How should I make it?
Asuka's feng-shui orientated bento
Meirin's room
munch munch
Rice has the power to release one's potential too.

drops
I could make it into dessert
I should add sweet potato since it can improve one's ability to win and plus, it's not a bad idea to have sweet potato in bento.
How would I go about making a chestnut-rice bento...



I hope that my beloved Asuka...
will receive good luck from the God of Luck on the day of the match.

Your destined one is not Asuka, but me!
If you choose Asuka over me...

I am serious
What...
What is that guy saying?!
sfx:-bam!-
Who on Earth is this person?!
What onmyoji?!
angry to the max
Who'd want to team up with a low-life like you?!
Who cares if you are this "Onmyoji" or some nonsense like that! I'd like to see try harming Asuka! If that's even possible!
Hmmph!
And how did he know about my feelings for Asuka?!

No matter what happens to Asuka, I will protect him!
